

Quantum Century

LOGO PRESENTATION

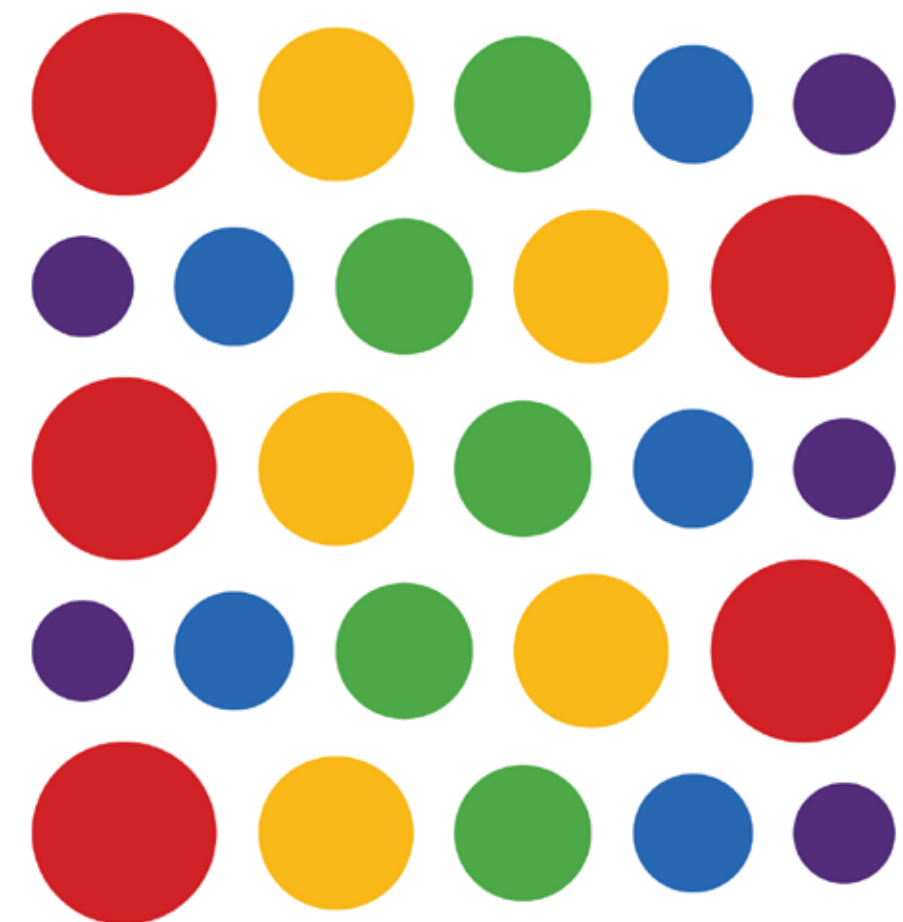

The logo's colorful dots represent quantum states and diverse applications. Subtle size differences in the dots reflect the varying core sizes of quantum dots, symbolizing the nuanced, structured innovation of the "Quantum Century."

Quantum Century

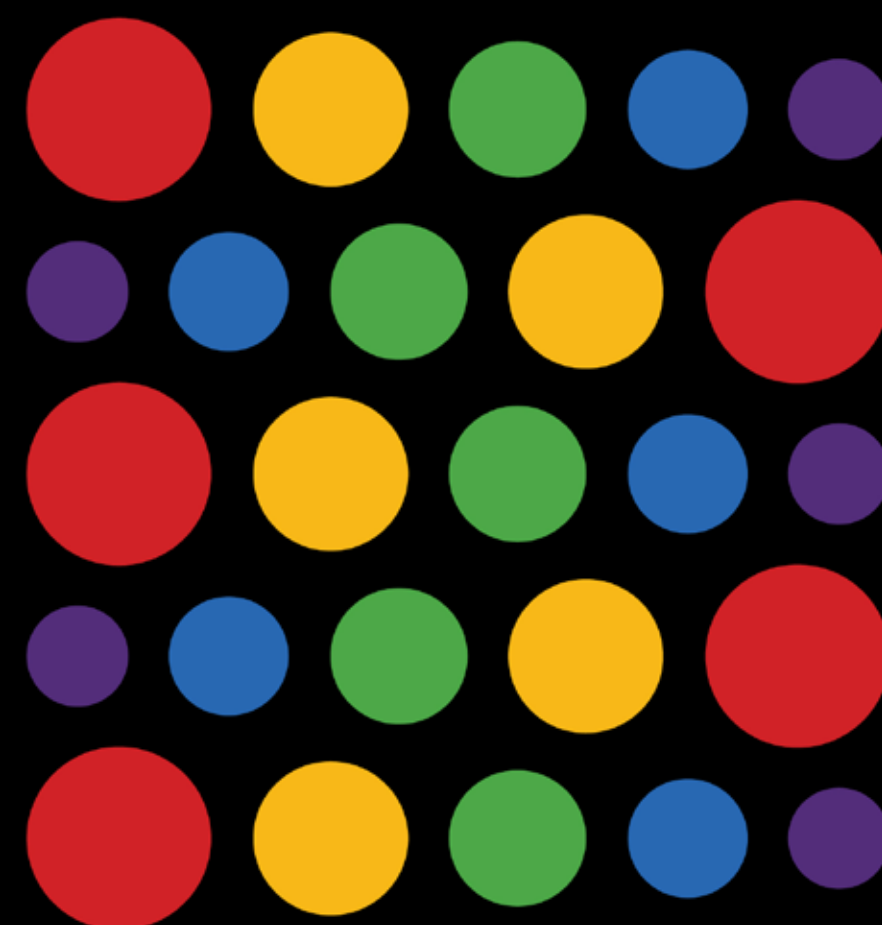

— EXHIBITION

Quantum Century

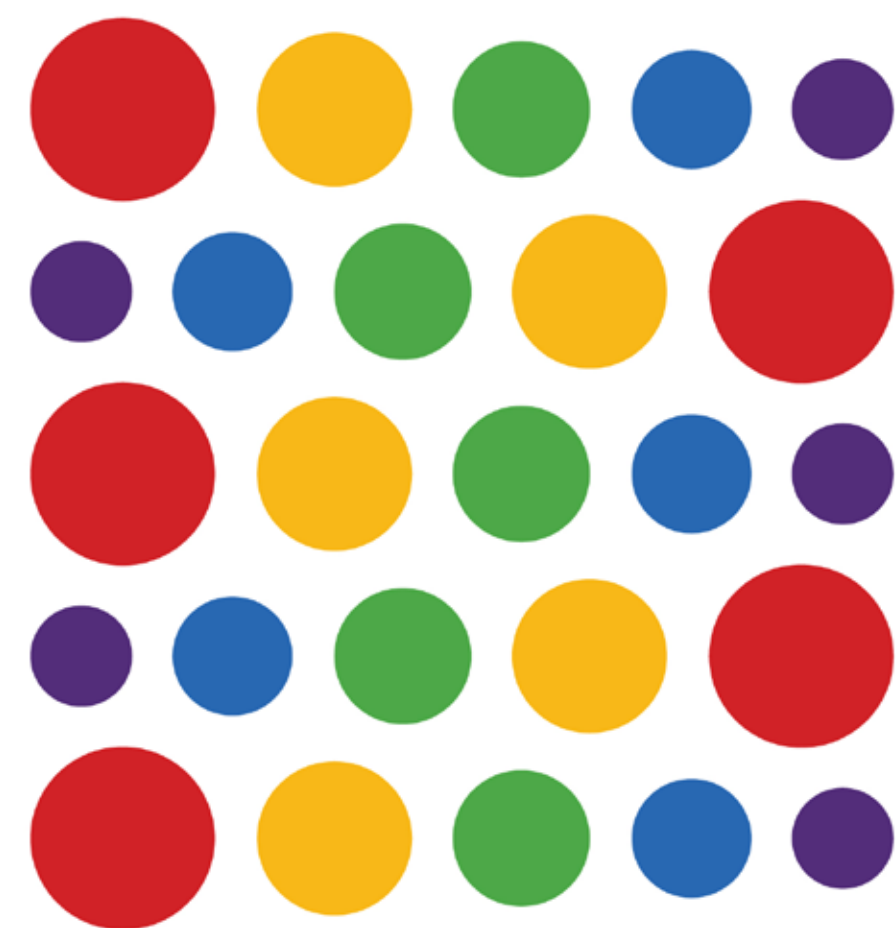

———— EXHIBITION

The logo uses a bold, clean sans-serif font. This modern and professional typeface conveys innovation and clarity, perfectly suiting the forward-looking, technological theme of the “Quantum Century” exhibition.
